BETHUNE COOKMAN UNIVERSITY
OFFICE OF GREEK LIFE

POLICY AND PROCEDURES ON

MEMBERSHIP INTAKE

NATIONAL PAN-HELLENIC COUNCIL (NPHC)
SERVICE & PROFESSIONAL ORGANIZATIONS
ADVISORY COUNCIL (SPOAC)
Dear NPHC and SPOAC Member Chapters:

The Office of Greek Life at Bethune-Cookman University welcomes you back for another exciting year at our Great institution. It has been our effort to encourage development for our Greek organizations while also ensuring the safety and well being of our students, the community and the University’s reputation.

It is our goal to be more knowledgeable about the membership intake processes of the chapter members of the Greek System at B-CU. The preventative measures we are taking will help secure a safe and open Greek community. We are **REQUIRING** that each Greek Letter Organization conducting membership intake or informational events keep the office informed of **ALL** membership recruitment and intake activity.

To facilitate this requirement the office has created a series of forms to help ensure the privacy of each of our member chapters, the candidates for membership, and that all applicable University, inter(national) headquarters, local and state laws are followed. Please read over this packet of information, complete all necessary forms, and return to the Office of Greek Life. These forms will be required before **ANY** membership recruitment or intake activities may take place.

If you have any questions or need clarification on any of these forms please feel free to contact me in at 481-2020. Your cooperation and support with this matter will be integral to our future Greek community success.

Sincerely,

Franklin E. Patterson
Coordinator of Greek Life
Guidelines for Membership Intake

The purpose of this document is to provide the fraternities and sororities of the B-CU fraternity/sorority community, their advisors, and prospective members with a source of information regarding Membership Intake. Chapter Advisors, Office of Student Affairs, and Office of Greek Life will work together to ensure a successful and positive experience for all involved.

In order for Greek Life to assist chapters with the intake process and avoid potential problems, chapters must adhere to the following guidelines if they are to conduct intake at B-CU.

Meetings and Documentation:

I. Prior to any intake activities, at least one chapter member, preferably the Chapter President or Intake Chair will submit/provide to the Office of Greek Life the following:

A. Any national or regional paperwork that needs to be signed by Greek Life Coordinator
B. Notice of Membership Intake (attached)
C. Anti-Hazing Compliance form (attached)
D. Any additional dates pertinent to a specific organization

II. Verification of Aspirants: All chapters conducting intake must submit a Verification of Aspirants form (attached). The Verification of Aspirants form must be submitted prior to the start date of the official process/education of aspirants listed on the Notice of Membership Intake. This form is the list of the individuals approved by your chapter that will be submitted to your regional or national representatives as aspirants for membership.

III. Chapter Membership Roster Update: At the conclusion of the intake process (after initiation), an updated Membership Roster must be turned in to the Greek Life to reflect any changes in membership since the Verification of Aspirants Form was submitted.

All documents supplied to the Office of Greek Life are kept confidential from students or student leaders, including the council officers. They may be shared with university officials and organization staff as needed. In the event that any dates and times need to be changed on the calendars of events, chapter members must notify the Coordinator of Greek Life in writing no less than two business days prior to the new event time.

Without the submission of this paperwork intake will not be approved. In the event that the intake activities begin without the knowledge and signed approval of the Coordinator of Greek Life, and/or the chapter has not adhered to these written Intake Guidelines, intake activities will cease immediately, and the chapter subject to fines and/or suspension. These sanctions will be administered appropriately at the discretion of the Coordinator of Greek Life and Office of Student Affairs.
Presentation of New Members:

A. Presentation of new members must take place no more than two weeks after the members have been initiated into the organization.
B. B-CU Campus Activity policies must be adhered to when scheduling a “show”
C. Presentation ‘shows’ are limited to two hours.
D. Vulgarity and profanity will not be tolerated.

If a member of the presenting organization is involved, the presentation “show” will be stopped immediately... If event attendants are involved, Campus Safety and Daytona Beach Police will also determine if the presentation will continue.
I. Disruptions by other attending organizations will not be tolerated. This includes but is not limited to: walking through the presenters’ show, talking over the presenting organization, chanting and drawing attention to, etc.
J. The presenting organization will be responsible for ensuring the site used is left in its original state after use.

Hazing:

Violations:

Violations of the intake process may result in fines, probation and/or suspension. Whether the chapter will be placed on probation or receive automatic suspension is based upon the infractions and is at the discretion of the Coordinator of Greek Life and the Office of Student Affairs.

The suspension period will be determined by the Coordinator of Greek Life and the Office of Student Affairs and will be a time of no less than one semester. We certify that all activities sponsored or required by our fraternity/sorority members or aspirant members comply with the B-CU Anti-Hazing Policy, and with the State of Florida Law. We have informed the aspirant members of our fraternity/sorority of the contents of the B-CU Anti-Hazing Policy (see attached). This policy will be read to aspirant members at the beginning of each semester’s intake process. We understand that failure to uphold the B-CU Anti-Hazing Policy as stated in the B-CU Student Handbook will result in referral to the Coordinator of Greek Life for violation of the B-CU Anti-Hazing Policy. We understand that participation in any hazing activity or knowledge of it and taking no action to stop the hazing is in effect giving our approval to haze. We understand our responsibility to not allow members of our organization, whether graduate status or affiliated at another institution of higher education, to haze our aspirants. Failure to report any such activity of which you become aware may cause personal referral to Office of Student Affairs. Our signatures below certify that we have read, understand, and agree to abide by the B-CU Anti-Hazing Policy.

Greek Life Policy on Hazing

The Chad Meredith Act

The Chad Meredith Act became law in Florida effective July 1, 2005. The law resulted from the drowning of University of Miami student Chad Meredith on November 5, 2001. Persons convicted of felony or misdemeanor hazing are subject to imprisonment.
Statement on Hazing

Bethune-Cookman University has always denounced acts of brutality and hazing during the intake process, and this statement serves to reaffirm that long-standing commitment…**HAZING IS STRICTLY FORBIDDEN!**

For the guidance of all campus chapters authorized to conduct intake periods, the definition of hazing is as follows:

“Hazing” is any action taken or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for purposes, including, but not limited to, initiation or admission into or affiliation with any organization operating under the sanction of the University. “Hazing” includes, but is not limited to, pressuring or coercing the student into violating state or federal law, any brutality of a physical nature, such as whipping, beating, branding, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity that could adversely affect the physical health or safety of the student, and also includes any activity that would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct that could result in extreme embarrassment, or other forced activity that could adversely affect the mental health or dignity of the student.

In addition, late work sessions which interfere with scholastic activities, and any other activities which are not consistent with policies of Bethune-Cookman University or which violate local, state or federal laws, are expressly forbidden. Anyone violating this policy will be subject to disciplinary action, and may also face criminal prosecution.

Cognizance and understanding of the above definition and the use of common sense in the carrying out of intake activities should be sufficient to guide campus chapters to avoid hazing violations. A good rule of thumb is: “IF IN DOUBT, LEAVE IT OUT”.

Chapter members and advisors are responsible to see that the intake process follows steps prescribed by their respective national offices, within B-CU guidelines. No chapter or member is “above the law”.

All participants should be urged to remember that the intake process is designed to prepare new “sisters” and “brothers”, and hazing has no place in this important process.
Membership Intake Coordinator Agreement

I certify that I have read in full ALL of the materials accompanying this document, pertinent University policies and other relevant information from my (inter)national organization regarding policies and procedures surrounding membership intake.

I will educate my chapter of all the regulations of membership intake and will keep the Office of Greek Life informed on all membership intake activities of my chapter.
