Steps to Login (STUDENTS)

B-CU STUDENT email addresses are changing! All students will begin to login to view their email by going to mail.students.cookman.edu.
Your administrator will have access to your first.lastname@students.cookman.edu account information including your email. For more information, consult the Google Apps Privacy Notice or your domain administrator's privacy policy, if one exists. Be careful about what information you choose to put into this account, and if you have multiple accounts with Google, keep an eye on the username that appears at the upper right of most Google services to help ensure that you’re using your intended account.

You can use a separate personal Google Account for personal activities. If you don’t have a personal Google Account, you can create one now.

Note that other service-specific terms of service may apply. To review these terms, please visit that service’s webpage.

Click "I accept" below to indicate that you understand the changes to your account and agree to the Google Terms of Service and the Google Apps Terms of Service, Acceptable Use Policy, and Privacy Notice.
