Freshman Applicants please request that your official high school and college transcript(s) be sent to the Office of Admissions, Bethune-Cookman University. An indication of senior courses in progress must be included on the high school transcript. An applicant for admission must be a graduate from an accredited high school, (or a candidate for graduation) with a cumulative grade point average of 2.25 or better on a 4.0 scale. Students seeking admission to Bethune-Cookman University must have satisfactorily completed a college-preparatory high school curriculum. A minimum grade point average of 2.0 is required for each of these core courses:

- four units of English,
 - three units of college preparatory mathematics,
 - three units of natural science (at least one laboratory),
 - three units of social science and history, and
 - six academic electives.
- Two units of foreign language and a computer literacy course are strongly recommended, but not required. GED scores may be considered in lieu of a complete high school record.

Standardized Tests

Test score results from either SAT I or ACT are required. While there is no stated test score requirement, candidates should achieve a minimum score near the national average for college-bound students. Test scores should be forwarded directly to the University by using Bethune-Cookman's CEEB code number—5061; ACT code number—0720. ACT test-takers, please note: an additional requirement for scholarship consideration is the English/Writing section. Find information about registering for standardized tests at <http://sat.collegeboard.org/register/> and <http://www.actstudent.org/register/>.

Transfer Applicants for admission must be in good academic standing at an accredited community college or four-year college or university, with a minimum cumulative grade point average of 2.25 on a 4.0 scale on all college work attempted. Transfer candidates with fewer than 24 transferable hours must also submit an official final high school transcript and meet all freshman admission requirements, including ACT or SAT scores.

2. **Please sign and date your application.**

3. **Submit a \$25.00 non-refundable application fee**, or attach an official fee waiver form which you may obtain from your guidance counselor. Write your name and Social Security number on your check or money order.

4. **If you choose to provide the Counselor Recommendation Form** detach and submit it to your high school guidance counselor or college advisor. This form is mailed directly to the Office of Admissions. Additional letters of recommendation may be submitted by your pastor or mentor.

Additional Requirements for International Applicants

International students must submit a translation and evaluation of all secondary and college academic credentials from a service such as the World Education Services (www.wes.org, (212) 966-6311) or Josef Silny and Associates (www.jsilny.com, (305) 273-1616).

These evaluations must include grade point calculations for each institution attended.

1. If English is not your native language, you must take the TOEFL (Test of English as a Foreign Language). Submit these scores directly to Bethune-Cookman University; college code is #5061. For inquiries about TOEFL tests, services, policies and procedures, visit their website at www.toefl.org or call 1 (609) 881-7100, Princeton, NJ. The university may consider a waiver of this requirement if the applicant has completed significant academic coursework in English.
2. If admitted, applicants will be asked to provide a financial statement documenting verified sources of adequate financial resources required for attendance, along with a Bank Statement or verification letter from a bank official. Students will receive the I-20 Immigration Form after they have been accepted for admission and have submitted the financial resources form.
