Welcome Wildcats!
NEW STUDENT CHECK-IN SPRING 2011
Dear Future Wildcats:

Welcome to Bethune-Cookman, an institution founded by Dr. Mary McLeod Bethune over 106 years ago. Bethune-Cookman University is an outstanding comprehensive university offering degrees in the liberal arts as well as degrees in a variety of professional fields. Through Dr. Bethune’s pursuit of lifelong learning and social equity, she demonstrated that education was capable of democratizing society through civic engagement and academic excellence. Today, Dr. Bethune's legacy lives on in our students as they engage in service learning projects that enhance effective citizenship.

As the president of Bethune-Cookman University, I look forward to spending time with students who engage in reflective thinking because inquiries into new meaning are at the heart of the educational process. At Bethune-Cookman, students describe their learning experiences as new lenses for viewing the world. As they engage in critical thinking, students delight in applying classroom learning to state-wide internship placements and study abroad programs at locations around the world.

It is also exciting to observe student leadership in action at meetings of the Student Government Association (SGA). Yes, occasionally the president actually drops in on student meetings to hear directly from campus leaders.

Bethune-Cookman University is a place where dreams become reality and where education leads to hope for a better tomorrow. Please join me in sustaining our founder’s legacy of faith, scholarship and service.

Sincerely,

Dr. Trudie Kibbe Reed
President
Bethune-Cookman University

Through both academic and non-academic services, CARES seeks to develop critical-thinking, decision-making, problem-solving, leadership and service-learning skills for college students. The goal of CARES is to increase retention and graduation rates by enhancing the academic progression of developmental students. CARES offers courses in mathematics, English, and reading to increase student success in college level courses.

In addition, CARES maintains tutorial labs to provide academic enrichment and to support classroom instruction. CARES students are required to spend time in CARES support labs (math, English, and reading) as part of the course requirements.

Dear Parent/Guardians/Students:

RE: HURRICANE INFORMATION

For the protection of our students, during the hurricane season, our policy is to evacuate when a pending storm exceeds a category 2, or if serious flooding is predicted. However, based on weather advisories, even for a category 1 or 2, the university may elect to evacuate within a 48 hour time line prior to ground impact.

We maintain a remote website to post communication and updates to students and their parents. We also request that students notify both their parents and the university if they evacuate to locations of their friends and peers so we can maintain a record.

While parents/guardians are responsible for travel costs, staff will be on hand to assist all students.

In brief, the Hurricane Emergency Plan of Bethune-Cookman University includes:
- Communications with national/local media
- Communications with the Volusia County crisis management team
- Daily e-mail blast to university alumni, students, parents, friends, and media
- Daily communications with our Information Technology department to insure all forms of communication are operating
- A communications center with a toll-free number 1.800.781.9104/1968
- Emergency evacuation/transportation; housing; food service; and security
- On-line class assignments

Parents/guardians/students can also visit the Bethune-Cookman University website for additional information on the Hurricane Emergency Plan. The National Weather Service and Weather Channel websites can be used for hurricane tracking information.

Parents/guardians/students should know that the campus plan received many compliments from the previous hurricane season.

We look forward to students having a safe and successful 2010/2011 academic year!

Sincerely,

Melvin Williams
