PART-TIME ENROLLMENT RESIDENCY APPROVAL FORM

(Use this form for students who fall below the full-time student status seeking to reside on campus)

All residential students are required to enroll and maintain a minimum enrollment of 12 credit hours per semester. Students who enroll for less than 12 credit hours must seek approval to retain on-campus residency for each respective semester that he/she does not meet this requirement. Clearance is not granted until students are provided approval from their respective Hall Management and Director/Assistant Director of Housing and Residence Life. This approval is not automatic or guaranteed. Submission of this request does not deem an approval. Housing agreement penalties may apply if residential status is denied and the student must breach his/her housing agreement.
